Subject: Permit to Construct Expansion
Louisiana-Pacific Corporation - Roaring River Facility
Permit No. 97-03

Dear Mr. Gaither:

On December 28, 2009, Louisiana Pacific (LP) was granted a Permit to Construct an expansion to its existing wood ash landfill located on its Roaring River plant site, Doc ID: 8903. In March of 2011, LP requested an extension of this permit and in April 2011 you responded that an extension could not be granted, but that the permit could be reinstated through a request to modify the permit to construct and the payment of a permit modification fee.

At this time, LP would like to request the permit to construct to be reinstated with a modified effective date of February 1, 2013. This would give an 18 month window to begin construction until August 1, 2014. Included with this request is a permit modification fee as specified in your letter of April 5, 2011.

If you have questions or require additional information, please contact the plant ESH Manager, Roy Hart at 336-696-3464.

Sincerely,

Jimmy Mason
Plant Manager
